For Office Use Only

If you have an affiliation with the City of Mount Vernon, you are welcome to place a personalized brick in our Walk of Honor. The brick you purchase is yours to customize, and you may include any information you wish.

Most participants choose to place a name on the first line, followed by relevant details such as military branch, service dates, locations, ranks held, or other meaningful information.

To help make the most of the limited space, many choose to use abbreviations. You are welcome to use the examples provided, spell out the information in full, or create your own abbreviations as needed.
